**MUSTANG<sup>®</sup>**

True Denim

MUSTANG steht für Pioniergeist, Mut und den Willen, Besonderes zu erschaffen. Vor fast 90 Jahren legten wir den Grundstein für die deutsche Erfolgsgeschichte im Denim-Business. Was damals in Künzelsau (Baden-Württemberg) startete wurde schnell zur Erfolgsgeschichte „Made in Germany“. Erste Damenjeans, erste Cordjeans, sowie die erste Stretch Jeans in Europa kamen aus dem Hause MUSTANG. Bis heute sind wir unseren Wurzeln treu geblieben. DENIM ist das, was wir mit Passion und Expertise tun. MUSTANG steht für höchste Qualitätsmaßstäbe und traditionsbewusste Professionalität.

„True Denim for true people“ ist unsere Philosophie und überzeugt mit perfekter Passform und authentischen Jeanslooks. Dieses Versprechen geben wir Ihnen auch für die Styles aus unserer NOS Kollektion.

---

MUSTANG stands for pioneering spirit, courage and the will to create something special. Almost 90 years ago, we laid the foundation for the German success story in the denim business. What started in Künzelsau (Baden-Württemberg) quickly became a success story „Made in Germany“. The first ladies' jeans, the first corduroy jeans and the first stretch jeans in Europe came from MUSTANG. Until today, we have remained true to our roots. DENIM is what we do with passion and expertise. MUSTANG stands for the highest quality standards and tradition-conscious professionalism.

„True Denim for true people“ is our philosophy and convinces with perfect fit and authentic jeans looks. We also make this promise to you for the styles from our NOS collection.
